WARREN TRAUB

Traub Seeks Re-Election

In seeking re-election, I am appealing to you to vote for me on the basis of my past record as one of your City Commissioners.

I have given my full time and effort to the position of commissioner, and will continue to keep in mind that I am representing the people, and that the office is a trust given to me to be conducted efficiently, courteously, economically and honestly.

Before being elected this office, I served as a member of the Parks and Playgrounds Commission and a member of the Board of Trustees of the Bay St. Louis Separate School District. I was also Superintendent of the Natural Gas Division of the City for two and a half years.

A native of Bay St. Louis, I was born June 4, 1904, the son of Lucretia Matranga and the late Harry Cyril Glover. I was graduated from high school at St. Stanislaus and attended Mississippi A&M (now Mississippi State), where I majored in engineering. I have four brothers, Harry, Anthony, David and Joseph. My first marriage was to the late Hermiones Perkins. Our son, John Cyril, Jr., now lives in Pascagoula. I am married to the former Margaret Thrifley and we have one son, Patrick Joseph, who, with his wife, Sandra, lives in Washington, D.C. I am a member of Our Lady of the Gulf Catholic Church.

During World War Two I served four and one half years active duty in the Armed Forces. I am a member of the American Legion, Veterans of Foreign Wars and Rotary International.

I was elected City Commissioner in a Special Election in 1956.

I have practiced economy in your government and have tried honestly and faithfully to represent the best interests of the tax payers. I can confidently say, without hesitation, that I have tried to be fair and impartial in decisions and that no finger of doubt or suspicion can be pointed to any dishonesty or unfairness in administration.

I am the son of the late Captain Charles Traub, former Mayor of the City of St. Louis. I am married to the former Miss Edith Russ of Logtown, Mississippi, and am the father of three children, Mrs. James G. Johnston, Lauderdale, Maryland; Lt. (j.g.) W. E. Traub, Jr., Corpus Christi, Texas and Carl A. Traub, Bay St. Louis.

I sincerely hope that you will give my candidacy earnest and favorable consideration to re-elect me.

Two like bids for additional clearing and grubbing work at the Hancock County Port and Harbor project at Moultrie Bay, were rejected Tuesday at a special session of port and harbor commissioners.

Terry Feeney of Waveland and L. S. Stockstill of Baton Rouge, La., came in with the identical bids, each asking \$400 per acre.

Unable to resolve the deadlock the board advised their engineers, Thomas Framherst of Framherst Engineering, New Orleans, to re-work the specifications and re-advertise for bids.

Terry Feeney was low bidder on construction of airport hangar and office buildings and was awarded the job at \$78,000.

Another Feeney bid of \$61,000 for hard surfacing the port access road was accepted with commissioners utilizing their alternate bid clause, hot mix asphalt.

Bids for installation of water well were all in excess of budget and Framherst was again asked to re-work specifications and re-advertise the project.

U.S. 287 Caravan Pays Visit to Hancock County

The lure of the open road brought the 1969 Southbound U.S. 287 Caravan, composed of 17 cars and some 30 people, to the shores of the Mississippi last Thursday. This was the fourth of five days of traveling across America's every scenic mile along the U. S. 287 "90" route between Memphis, Texas, and Tallahassee, Fla., on their 15th anniversary.

year." She also points out that the money which has been given for the building of the new Library is invested and drawing interest and is ear-marked solely for the building program. Mrs. Alice Pringleville, co-ordinator of the Library program says, "We will probably close the Library for the first week in June - 25,000 books can't be moved in a day! She also stated that while the facilities offered by the building Dunbar and Ulman are an immense improvement over those of our present location, the building is not fire-proof nor is the space adequate to implement the ideal library program which will include art, music and a meeting room for use by the public."

AMARANTHS TO MEET

Order of Amaranths Marie M. Trux Court #4 will hold its monthly meeting and initiation of new members at 8 p.m. tonight in Our Lady of the Gulf Parish Hall.

All members are asked to attend.

ANNUAL TEA

Women of Christ Episcopal Church will hold its Annual Silver Tea on the afternoon of Wednesday, May 7, from 3 to 6 o'clock at the home of Mrs. Norman L. Carter, 833 North Beach Blvd., Waveland.

SCOUTS MEET

The Gulf Pines girl Scouts met, April 22 at Camp Ia Kanna, near Wiggins. Attending from Bay St. Louis to the semi-annual meeting were Mrs. C. C. McDonald, Scout corresponding secretary; Mrs. Richard Shadoin, board member, chairman of nominating committee; Mrs. Ed Show, Neighborhood chairman and Mrs. O. J. Howe and Mrs. Frank Hile, delegates.

BENEFIT DINNER

A benefit dinner was held recently for Malcolm Green by Clark and Clark in their place in Waveland.

PROMOTERS OF "America's most comfortable, safe scenic highway from Florida to Alaska" met promoters of Hancock County and the romantic Mississippi Gulf Coast last week when the Western sightseers stopped en route for breakfast here.

and Marianna, Fla.

All participants were members of the U.S. 287 Highway Association which is composed of business in living along the mid-Continent travel route which joins U.S. 90 at the Texas La. border, and U. S. 2 in the Northwest. About 1,500 strong, and rated the most effective highway group nationwide of its kind, its purpose is to advertise, promote tourism, and create interest among people all over the nation in traveling Hwy. 287. Good fellowship, better understanding, and solutions to mutual problems between states and businesses have been among the by-products.

Membership is \$10 per year and covers field directors expenses, brochures and promotional materials, advance re-

servations for caravan members, etc. Each member pays his own way while enroute. Trips are planned from a point somewhere mid-way on the entire route, and alternate each year from north to south. The group went to Cardston, Alberta, Canada, in 1968.

Film strips of both the 1968 trips, with audio-tape narratives, are available to civic groups and others through Bob Hudgesson, 1721 N. E. 16th, Amarillo, Texas, 79107.

FBI Finds No Conspiracy

Despite James Earl Ray's courtroom claims, no one helped to plot the assassination of Dr. Martin Luther King, Jr., the FBI's painstaking, \$3.5 million investigation of the shooting produced absolutely no evidence of a conspiracy.

This column has checked privately into all the conspiracy angles. No one, including a dentist who was reported to have a grudge against Dr. King and might have hired Ray to gun down the Negro leader. Here are the conclusions:

1. Ray was a racist with a long record of crime and hate. He made no effort to conceal his burning hatred for Negroes. He even refused to go to the prison's honor farm because he would have to work alongside blacks. He also boasted to fellow convicts that he would kill Dr. King when he got out of prison.

2. Ray flew to Los Angeles around Easter Sunday, 1967, because he had heard that Dr. King was scheduled to speak there. Ray did not contact the Los Angeles dentist and the FBI quickly dropped its suspicions of the dentist. Ray continued to stalk Dr. King until the tragic day in Memphis.

3. Ray's hints that he was aided by conspirators apparently were motivated by a psychotic notion that he could invent a couple of non-existent persons and blame them for the actual shooting, thus avoiding the death penalty.

NIXON AS AN EXECUTIVE

4. Ray spoke mysteriously, for example, of meeting a blond man by the name of "Raoul" in a New Orleans bar. Under this same mystery man was supposed to have turned up in Montreal while Ray was there. The FBI could find no evidence that "Raoul" ever existed outside of Ray's imagination.

5. The fact that Ray seemed to have plenty of cash caused the FBI to suspect at first that he may have collected a payoff from someone who wanted Dr. King dead. The FBI was able to trace Ray's money back to profits from smuggling narcotics into prison, and to a series of holdups. He staged at least two robberies in this country, two in Canada, one in London and one in Portugal.

6. Although Ray bungled the shooting by leaving clues that easily would have convicted him, he had a twisted cunning that enabled him to throw off his track while escaping the country. There is no evidence to support the rumor that the alleged conspirators would have left for Europe.

Clearly, James Earl Ray loves the limelight, and can be expected to make statements that will keep his name in the

news as well.

We did not attempt to analyze any of the amounts of the various funds prior to October 1, 1967, the beginning of our audit, and no comparison of the receipts and disbursements were made with the fiscal year to date.

On Exhibits "A", "B" and "C" are shown summaries of bond or note indebtedness applicable to the respective funds. This information was obtained from the City Register of Deeds. We verified the payment during the fiscal year ended September 30, 1968 by examining the paid bonds.

During the course of our audit we made several financial and accounting recommendations. However, as requested by you, we will, to the next extent, appraise your entire accounting system and present recommendations for a more informal accounting and procedural system.

Respectfully submitted,

annual Preschool workshop will be held at the University of Southern Mississippi, July 14-18. Mrs. B. Chichester is the director; sessions will be held by the School of Curriculum Materials Center. Dr. B. Wilder, head of the USM Curriculum Materials Center, will discuss opportunities for browsing in educational materials.

Morning classes will be followed by discussion and action groups in the afternoon. Tours, speakers and films will occupy night sessions.

"One and one-half quarter-hours of University credit may be earned, and the entire workshop is tailored to the needs of those who teach the three to five-year-old youngster," Mrs. Chichester points out.

Information and applications may be obtained by writing Mrs. Chichester at Box 212, Southern Station, Hattiesburg, Miss. All fees are payable at registration only, and not by mail.

Miss Huth's Engagement Announced

Mr. and Mrs. George Bernard Huth of Long Beach formerly of Waveland, announce the engagement of their daughter Marcia Deshon to Michael Joseph Boland, son of Mr. and Mrs. Lawrence Francis Boland, Junior, of Jackson.

Miss Huth is the granddaughter of Mr. and Mrs. George Aloysius Huth of St. Petersburg Beach, Florida, formerly of Jackson, and of Mrs. Edward Herman Stevens of Long Beach, formerly of Lexington, Kentucky, and the late Mr. Robert Franklin Hodges.

Mr. Boland's grandparents are Dr. Lawrence Francis Boland of Georgetown, Kentucky, and the late Mrs. Boland, and Mrs. Joseph Bartholomew Brisbois of Saint Paul, Minnesota, and the late Mr. Brisbois.

Miss Huth graduated with honors from St. Joseph's High School. She received an academic scholarship to St. Mary's Dominican College in New Orleans, from which she graduated with a Bachelor of Arts degree in English. While attending Dominican, she served on the Judiciary Board and on the staff of the Veritas newspaper, traveled with the Recruiting Club, and was a Dean's List student. She was elected vice-president and pledge trainer of Theta Pi social sorority, and a member of the Library Committee.

Mr. Boland was also an honor graduate of St. Joseph's High School. A Carrier Scholar at the University of Mississippi, he was a member of Omicron Delta Kappa and Phi Beta Kappa.

ON APRIL 19th, the last Forensic League of this year was held at St. Paul's School in Pass Christian. The contestants were required to write their original compositions for each category. This was the first time, for the original themes. All the students from O.L.G. won a superior rating except for Walter Brizzard who won an Excellent rating. Shown in the picture are: Erin Dahl, left front row; Marv Richardson, middle front row; Virginia Flynn, right front row; Patricia Robinson, extreme right, trophy; Roxanne Oustalet, back row.

Patricia Robinson received a trophy for having the highest rating in Drama II. Walter Brizzard is absent from the picture because of illness. Mrs. Burt Barnett, Mrs. Tom Dickerson and Mrs. Anna Gaynor worked with the Forensic League this past school year.

THE FOLLOWING STUDENTS from O.L.G. won the following awards in the LITTER ESSAY CONTEST: Susan Benvenuti, 6-B, 1st Place; Ruth Largay 7-A, 2nd Place; sitting left; Ruth Largay 7-A, 3rd Place, sitting right; Elizabeth Green, 5-B Honorable Mention standing right; Cindy Stieffel, 5-A, Honorable Mention standing left.

Research Promises Solution

To Timber Supply Problem

Full details of a research project which could result in the most far-reaching program of timber resource development in the nation's history were unfolded for the first time before the House Committee on Banking and Currency at hearings in Washington, D. C., on March 27.

M. C. Colvin, Holly Hill, South Carolina, President of the Southern Pine Association, presented the plan as a major solution to the problem of increasing lumber and plywood supplies in the South to meet housing goals set by the federal government.

The recommendations in the

Rick Martin Wins DAR Essay Medal

Rick Martin was bronze medal winner on April 11 in the D.A.R. elementary history essay contest. Certificates of merit were awarded to Keith Folsom and Debbie Notto for their entries. The three are fifth grade students at Bay Elementary School.

Presentation of awards was made by Mrs. Philip H. Daniel, historian of the Gulf Coast Chapter of the National Society of the Daughters of the American Revolution.

plan of timber resource development consist of: (1) increased federal assistance to small landowners for tree planting and timber stand improvement (2) consolidation of tracts by industry-sponsored association of owners to provide forest management and (3) possible lease arrangements between industry and private owners to solve the problem of owner indifference to the deferred nature of returns from forestry investments. Small owners would dedicate their lands to timber growth in return for assurance of annual income from industries which would use the eventual harvests.

Severe competition for softwood lumber and plywood has been caused by an increase in the number of housing starts, a shortage of logs delivered to industry sawmills, plus an increase in the export of saw logs.

The Mississippi Forestry Commission is concentrating a large part of its Forest Management activity to improving the woodland on the small landowners property.

Ara Forester Norman A. Coleman of Pearl River and Hancock Counties advises that timberland owners write to him at P.O. Box 345, Poplarville, Miss. or call the local fire tower if forest management advice is needed.

Camp Castalian Springs Summer Schedule Announced

W. S. (Monk) Fowler, Chairman of the Camp Committee of the Mississippi Young Men's Christian Association, and Joe E. Paslay, Camp Director, today announced that the 1969 Summer Camping Season at Camp Castalian Springs, near Durant, will begin Sunday, June 8th. Girl campers from all over Mississippi, the South, and the Nation will begin arriving at 1:00 P.M. for registration for the first two-week period.

The full 1969 Schedule is:

June 8 - 21, Girls' Camp;
June 22 - July 5 - Girls' Camp;
July 6 - 12, Girls' Camp;
July 13 - 19, Girls' Camp;
July 20 - Aug. 2, Boys' Camp;
Aug. 3 - 9, Boys' Camp, Aug. 10 - 31, Football camp.

A competent staff of forty teachers, college graduates, college students, and High

School graduates has been selected to guide the activities of the young people during the three-month Season. For the past four years, since the addition of a new group of cabins, average attendance has been in excess of 150 per period.

Camp Castalian Springs, established in 1946, has become the largest and finest Resident Camp in the Mid-South. Boys and Girls from almost every community in the State, from fifteen other states, and almost as many foreign countries, have enjoyed from one to six weeks at "Castalian" in an un-forgettable experience.

St. Stanislaus Gets Revenge Against Loss

By Keith Ladner
The St. Stanislaus Rock-A-Chaws avenged their first season loss last week by defeating Ecole Classique of New Orleans 10-5.

Emile (Tank) Lewis pitched the Rocks to their eighth win, his fourth of the season, giving up five hits striking out eight.

John Randle took the loss giving up ten runs on twelve hits and striking out seven.

Stanislaus scored one run in the first. Dennis Burmaster led off with a single and Paul Gravolet brought him in with a double.

In the second inning Emile Lewis led off with a single. Oustalet got on by error and Ed Weidner brought both runners in with a base hit and an error to second. Ed Farve scored Weidner on an error and Mike Gemelli scored Farve on a single.

In the fourth inning Stanislaus scored another run. Ronnie Proudhomme led off with a walk and scored on a triple by Gemelli.

Stanislaus scored four more runs in the sixth. Burmaster went to first on a walk. Gemelli followed with a base hit and Gravolet brought both runners in on a double. Gravolet scored on a single by Joe Boudreault.

and Boudreault scored when Oustalet got on by error.

Ecole scored three runs in the first all on error. John Randle and Mike Bernas got on by error and Mike Hadley scored a home run on error.

A bad throw by Gemelli at first landed deep in right field.

Before the right fielder could get to it all three runners scored.

In the third inning Randle hit a double and scored on a double by Bernas.

Ecole scored one more run in the seventh. Andre Soulard got on with a walk and scored when David Federico got on by error.

Managerial

Shortages By 1975

Mississippi and southeastern industrial leaders anticipate sizable managerial needs and a shortage of qualified applicants by 1975. A publication by a national management consulting firm reports.

With the permission of the consulting company, the study has been reprinted for distribution to Mississippi businesses by the Management and Technical Services Division of the Mississippi Research and Development Center.

"Typical business organizations in the southeast plan to increase their management structures by 25 per cent by 1975," the publication states. "Executives polled in the survey indicated that only 40 per cent of the required managers are available internally."

The survey polled 470 firms in the eight-state southeastern region of Alabama, Georgia, Florida, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee.

"Quality is not the only challenge that southeastern business leaders face," the study indicated. "Executives also emphasize the problem of getting people to think for themselves, develop creativity, and assume risks."

Man young persons lack the desire to work themselves up over a reasonable period of years, one executive said.

To be a chairman, president or executive vice president of a Southeastern business today takes a college degree, according to survey results and the trend is for more advanced education.

Copies of the study are available upon request to the Mississippi Research and Development Center in Jackson.

Hold Camp-Out

Girl Scout Troop 78 enjoyed an overnight camp-out last Friday at the Mississippi Test Site recreation area.

Mesdames George Canaga, Robert Wade and O. J. Howe accompanied the group and Elleen Howe served as cadette aide.

But it is man who is under cable's worst enemy. Despite the close cooperation of the fishing industry, trawler nets and scallop dredges have caused cable breaks resulting in temporary disruption of overseas services.

These are some of the hazards which necessitate making thorough undersea surveys designed to protect vital international communications links.

Several tools aid scientists in determining conditions along the ocean floor. The fathometer, a precise electronic depth measuring tool, charts a route to avoid the mountains and valleys in mid-ocean depths. Undersea avalanches can be just as damaging as the dry land variety, and a lot of ups and downs can eat up expensive cable footage more quickly than a few changes in course to avoid them.

For the shore-end portions of the cable, a wide-scanning sonar sends down a 250-foot-wide pulse of sound, which bounces back and tells scientists whether the bottom terrain is hilly or flat, rocky or smooth, and pinpoint ship wrecks. A coring device brings back soil samples from the ocean floor.

Supplementing all the TAT-5 survey tools is an underwater camera with a powerful strobe flash.

After a tentative route is established, a survey sled - a whipping boy for the sea plow - is hauled over the shore-end portions to see if conclusions drawn from the

During the business session new officers for the coming year were installed. Mrs. Gray

was named historian, was among those seated.

Mrs. Gray, retiring president, was presented a plaque in recognition of her two years work as president.

Plans for entries in the first council show entitled Maytime on the Mall, were discussed.

The event will be staged May 1-3 at Edgewater Plaza Shopping City with Mrs. W. A. Gregurich, Gulfport, as general show chairman.

Attending from Bay-Waveland Club were Mesdames Gray, C. R. Beyer, John P. Stern and P. H. Daniel.

Davis, James A. Ferguson, Michael G. McGinley, James H. Manuel, Joseph A. Necaise, Michael R. Lamb, Danny C. Spiers, Harvey L. Corbitt, Victor G. Maurice, Ivory J. Gillum Jr., Milton J. Hargett, Dennis K. Carver, Billy A. Parker, Jeffrey J. Ladnor, Fred C. Johnston Jr., Gary W. Frazier, Jasper K. Fauchetta and Gary H. Geofroy.

Leaving for induction into the Armed forces will be Forrest Burnell Necaise, Clarence R. Green, Charles M. Necaise, Clarence H. Hall, Gerald D. Williams, William T. Waite, Charles E. Johnson, Herman C. Thigpen and Wayne E. Bourn.

Michael J. Ferry, Walter J. Martin Jr., Jerome T. Dahn, Robert M. Lamb, Emile Schindler Jr., Walter Gagnon Jr., and Rory MacDowell enlisted in the U.S. Navy during April; George P. Kearny and Eugene J. Smith Jr. enlisted in the U.S. Army and Carl W. Aubank Jr. in the U.S. Marines, Mrs. Ladner added.

Increases in the four remaining areas include:

A 2.1 percent increase in gasoline tax collection, advancing from \$4.6 million in March 1961 to \$4.6 million in March 1962.

During February 1962 the non-agricultural employment total was 551,100 which is an increase of 3.6 percent over the February 1961 figure of 532,100.

Total number of telephones in service and the state's bank debts climbed 7.8 percent and 8.4 percent, respectively, during February of this year as compared to the same month in 1961. The telephone total moved from 692,393 last year to 744,911 during the second

month of this year, while bank debts increased from \$1.8 billion to \$2.0 billion in the same two comparative months.

Education Assn. Holds Meeting

The Bay St. Louis Education Association met on Monday night, April 28, at Haverty's in Waveland for their annual banquet and business meeting.

Mr. Bill Terry, President of the Association, called the business meeting to order. Officers for the coming year were elected as follows: Mr. Robert Magee, Vice-president, was elevated to the Presidency; Mr. Wilmer Seymour was elected

to serve as Vice-President; and Mrs. Kathleen Terry was elected to serve as Secretary-Treasurer.

The Executive Council for the coming year will consist of Mrs. Letta Autrey, Waveland; Mrs. Rose Uram, North Bay Elementary; Mrs. Amanda Carter, Bay Jr. High; and Mrs. Janie Languirand, Bay Senior High.

DESTINATION: TALLAHASSEE where the 1960 Southbound Caravan disbanded after a 6-day trip over U.S. 287-50. Shown here is a scheduled stop at Roadview Restaurant on Hancock County's stretch of the action-packed route.

MR. R. B. HARPER OF PASCAGOULA AND SONS ARE SHOWN TAKING DELIVERY OF THEIR NEW TRUCK FROM LAMAR-LANE SALESMAN J.C. KOENENN.

I live in Pascagoula where I have been in the house moving business for a number of years. This business requires heavy duty trucks, ones that can take a lot of hard work and severe punishment, that is the reason I bought a Chevrolet, I believe they make the best trucks, I bought from Lamar-Lane Chevrolet because they made me the BEST DEAL, I know because I shopped around and last but not least I bought my Chevrolet Truck from J. C. Koenenn of Lamar-Lane Chevrolet because he also showed genuine interest in my problems and also knew his product, he had the answer to all my questions, Lamar-Lane Chevrolet in Bay St. Louis are selling cars and trucks all along the coast.

WARREN CARVER CANDIDATE FOR MAYOR SAYS--

Nearly every one of our young adults must leave their native community in order to earn a decent livelihood for themselves and for their families.

What can be done about a condition of this nature? Let's find ways and means of providing jobs for our people by encouraging industry to locate in or near our town. Other communities have done it! Why can't we?

Sodality Meets

Sodality of Our Lady of St. Mary's Parish met last Tuesday in the Parish Hall with Mrs. Franklin Guenard Jr., prefect, presiding at the business session.

The opening prayer, an Act of Consecration was offered by members.

Mrs. A. N. Grass, recording secretary, presented the March minutes and Mrs. Adeline Chagnard, treasurer, gave the financial report. A report of correspondence sent out and read as given by Mrs. E. N. Damiena and Mrs. E. N. B. publicity chairman, closed her report.

Plans were discussed for a Memorial Mass for Father Costello to be attended by all of St. Clare's School.

Father Costello, in reward, a plaque, given to him by the Sodality, will be presented to the eighth grade boy scoring the highest in the High School placement.

The car is a scale model replica of the official Junior Miss Chevrolet convertible provided for each of the 50 state Junior Miss contestants during national pageant week at Mobile from May 1-6.

Miss Pike's Engagement Announced

Mr. and Mrs. Frank E. Pike announce the forthcoming marriage of their daughter, Pamela, to Roger Walker Anderson Jr., son of Mr. and Mrs. Anderson Sr. of Richmond, Va., formerly of Pasco Christian.

The wedding will be solemnized at eight o'clock in the evening Saturday, June 28, in the First Baptist Church.

The bride-elect, a graduate of Bay Senior High School, attends Jefferson Davis Junior College where she will graduate in May.

Mr. Anderson is an architectural major at Jefferson Davis Junior College.

Ladners

Celebrate 57th Anniversary

Mr. and Mrs. Ora Ladner celebrated their 57th wedding anniversary April 21 with all day open house at their Lakeshore home.

The refreshment table, overlaid with a lace cloth, held a three-tiered anniversary cake trimmed with white spun sugar roses. An arrangement of roses and greenery completed the table decorations.

Approximately 100 relatives and friends called during the day to extend their best wishes.

TO

SPECIAL MEETING

THE COMMITTEE FOR BETTER CITY GOVERNMENT
FRIDAY NIGHT, APRIL 26, 1962

There came on for discussion an advertisement carried by the Sea Coast Echo under date of April 24, 1962, wherein members of the Committee for Better City Government were challenged by Mayor Scatide to meet him in debate at the County Courthouse, Monday at 6:00 o'clock P.M. The debate to be on subjects designated by the Mayor.

After much discussion the following Resolution was unanimously adopted:

BE IT RESOLVED that upon review of the past record and conduct of the Mayor in office and his attitude toward this Committee in consistently refusing to accept, advise, counsel and assistance at a time when we could have accomplished much for a suffering community, we have determined and concluded that an invitation to meet and talk to the Mayor on his terms at this late date should be rejected. We will make our recommendations to the new Administration.

BE IT FURTHER RESOLVED that the Committee now remind the Mayor and the two Commissioners of their mismanagement of the affairs of City government which is evident and should be known to all citizens of our town. We further call special attention to the fact that they are now offering for re-election without even presenting an audit of the financial affairs of City government, not to enumerate many other discrepancies.

BE IT FURTHER RESOLVED that the Mayor be notified by this Resolution--that the Committee for Better City Government does not consent to meet with him and recommends that he apologize for his record proven in office and withdraw from the race for Mayor. In conclusion, it should be understood that this request is made in good faith and not a political trick or threat; OTHERWISE, the Committee must continue to expose your record "PROVEN IN OFFICE" which may be embarrassing to you in particular and the good citizens of Bay St. Louis in general.

Polly Peers

A NUMBER OF our readers are going to think that this columnist is inconsistent, to say the least. After last week's fervent plea for news, we're forced to begin this week's effort with an explanation as to why a number of items were omitted from the April 24, edition.

OUR REQUEST for more contributions was sincere and at least 99 percent of the time Polly Peers appears in its entirety, and we do want to thank all who called and wrote giving details of recent happenings, and hope you'll all keep up the good work. In all fairness, we feel that we must devote a few lines for the purpose of enlightening subscribers as to why every item submitted doesn't always reach print on a certain press day. This will not only get us "off the hook," so to speak, but will also explain why social notes given to Mrs. Favre, Claire Mitchell or Brenda Anderson may be delayed in publication.

ANYONE FAMILIAR with the off-set printing process knows that putting a paper together is somewhat like solving a complicated jigsaw puzzle, except that when finished there are usually more pieces of copy than there is room on the page. It's as simple as that! There is no question of partiality involved; if only five inches of space remains, then a story of proper length to fill that little hole must be found, and exactly the reverse applies when a long article is needed. The same holds true in the case of pictures--these too, come in all shapes and sizes and it's virtually impossible to squeeze a five column photograph in a three column vacancy. We hope that this will clarify a situation that seems to puzzle a number of our subscribers. After all, that's really one of the neatest things about a weekly newspaper. Except for really big page 1 stories, news is still news, even if read a bit belatedly. We wish it were possible to print every item the moment it's received, but if your picture or note has to be held over, please be patient. After all, there's always next week, and the next, ad infinitum!

A DISTINGUISHED GUEST, General John Klein, U. S. Army retired, of Washington, D. C., arrived in Clermont Harbor last Monday to spend five days with his brother Frank Klein, Sr. and his wife Claudia. The general first visited the family home in Natchez before appearing for his first visit of any length on the coast in 20 years. He hosted a family dinner at Haverly's for adult and teen-age grandchildren on Tuesday night. On hand were of course, Claudia and Frank, Sr.; Betty and Frank, Jr.; daughter Faye Ann and son Frankie; Elsie and John Klein, Marie and Lee Klein, Claudia, Jr. and husband Mike Lang and Kathleen and Jerry Ladner.

Claudia, Jr., managed to attend the dinner just three days before the store paid her and Mike his initial visit. Little Miss Michele Lang arrived at Gulfport Memorial Hospital at 9 a.m. Saturday, April 26, weighing seven pounds, nine ounces. Clothilde and Henry Lang are the paternal grandparents. Kathleen and Jerry Ladner are also expecting their first visit from the fabled bird.

HAPPY BIRTHDAY greetings are on the way to Mrs. Pauline Heitzmann who was honored at a party Tuesday afternoon, Apr. 23, by her daughter Maggie (Mrs. John) Damborino. Joining Mrs. Heitzmann in enjoying her 86th birthday cake were a number of friends in her golden age group.

CAPTAIN CHARLES VAN TRIER recently completed a trip which would surely have made the hero of Around the World in 80 Days green with envy. Our modern day voyager departed from New Orleans via plane on January 6, with London as his destination, thence to Rome, Italy, and, still airborne, to Lagos, Nigeria West Africa where he took command of a huge motor vessel which towed tons of road building machinery and sailed to Singapore via Luanda, Angola Portuguese West Africa; Capetown, Union of South Africa; Mombasa, Kenya East Africa; proceeding to Saudi Arabia, South West Asia, then to Kuwait, Arabia near the Persian Gulf. Capt. Van Trier sailed on across the Indian Ocean to Singapore off the southern tip of the Malay Peninsula, the southernmost point in the Asian Continent. After delivering the McDermott tug, he again boarded a plane and flew back to the Crescent City on April 13, after stopping enroute in Hong Kong, China; Tokyo, Japan; Honolulu, Hawaii and Los Angeles, Cal. Following that jaunt, the captain should be able to give his friends a pretty good idea of what's transpiring in just about every corner of the globe.

HONEYMOONERS Rose and Duke Guenard returned home Thursday after a wedding trip which began in Birmingham, Ala., after which they stopped in Decatur for a visit with former Wavelanders Ann and Curtis Bell and son Gil and Roland. They then went to Lookout Mountain in Chattanooga, Tenn., where they spent a couple of nights in a lovely cottage near the peak; traveled to Gatlinburg, through the Smokies, stopped in Nashville, Tenn., then drove to Missouri, toured the Ozarks; visited in Hot Springs, Ark. and wound up in Natchez, Miss. They had just settled down to

rest from their journey when Bessie and Jimmy DeBlanc, Verma and Ed Salvant, Sis Means and Grace Oppenheim greeted the bridal couple with an old fashioned charivari. Equipped with a number of noise making devices, the group created such a commotion that Rose and Duke hastily donned robes and invited them in for an impromptu party which lasted until after 1 a.m. Friday.

THE BEARDED gentleman

seen frequently on Beach Blvd. in recent weeks really isn't an either early or late Santa--he's just Henry Osoinach who grew the facial adornment after moving to the Crescent City quite a few years ago.

ROGER CODY has discarded his mustache and once again has that clean shaven look.

MARGARET AND ERNEST FOULLION are most excited over the success of 13-year-old Lou Roberts, son of Iva Lee and Kayton Roberts of Greenboro, Tenn. The Roberts became the closest of friends when Ernest and Kayton

were station aboard the same U.S. Navy ship and their wives were living in Norfolk, Va.

Louise, who plays guitar and sings both pop and country and western selections, got his start

as guest artist of the week, then

of the year, at the Grand Old

Opry in Nashville, winning \$500

and a trip to Hollywood. He then

topped 700 other contestants,

mostly adults from three states,

in six talent shows and has since

appeared with such well known

stars as Porter Wagoner,

Dolly Parton, Nellie Tellez,

Jimmy Dean and Hank Snow,

with whose group his father,

Kayton, plays steel guitar. He'll

be making his second appear-

ance on the Mike Douglas show

today, Thursday, April 26 and is

scheduled to perform on up-

coming Jackie Gleason, Joey

Bishop and Johnny Carson tele-

vision programs. Louis has just

completed cutting a record-

itled "Love is Really on my

Mind" on the brand new WSM

owned Country Opryland label.

The Roberts had planned to

visit Margaret and Ernest and

the two in the Bay several years

ago, but the trip had to be can-

celled as one of the small Pouli-

lions came down with mumps.

If all goes well, the Pouli-

lions plan their first reunion with the Roberts in Tennessee during summer vacation.

1969 Summer Recreation Program Opens Friday

ROBINS OPENING CEREMONY - A ribbon cutting ceremony officially opening Mississippi Power Company's new seven-story, all-electric office building in Gulfport was held Thursday at 2 p.m. Other electric utilities who cut the ribbon were, from left, Norman Johnson, chairman of the Mississippi Public Service Commission; A. J. Watson, Jr., president of the Mississippi Power Company; and R. B. Maxfield, mayor of Gulfport. More than 2,300 persons attended the office building during the open house which followed. The building houses the company's Gulfport Division Headquarters and General Offices. It is the first structure on the Mississippi Gulf Coast to utilize the Heat-or-Light principle where circulated heat from the lighting system is used to warm the building.

The 1969 summer Recreation Program of the Bay St. Louis Parks and Playgrounds Commission officially open Friday at 4:30 p.m. when Hancock Bank meets Biemanns in the first game of the Little League Baseball season at McDonald Field. In the second and third games Friday the Jaycees tangle with the American Legion and Merchants Bank challenges the 1968 champs, Gulf National Bank. Opening ceremonies are at 4:30 p.m. and the first game starts at 5:00 p.m.

On Saturday at 9:00 a.m. the Little League Minors continue registration, practice, and organization in preparation for

their opening game on Tuesday, June 3, at 6:30 p.m. There will be four minor league teams and all boys eight thru twelve who have registered but have not been called to a Regular Little League team are automatically in the minors. There are a few openings left in the minors for boys who have not registered. Future vacancies in the regulars will be filled by draft from the minors. The minors will be coached and supervised by qualified adults.

At 2:00 p.m. Saturday at McDonald Field tryouts will begin for 13 and 14 year old candidates for the expansion Babe Ruth team. Babe Ruth play begins Saturday May 10, at 6:30 p.m. at McDonald Field, but

will move to the new baseball field at North Bay School on June 3. Junior Girls and Boys Softball will begin on Tuesday June 3 at McDonald Field. Details on Junior Softball will be released soon.

Men's softball will open at 8:00 p.m. Monday May 26, at McDonald Field. Present league alignment is Trapani's, An-

thony, Gulf Coast Transfer, Chateau Sau, Ladner's Friendly Inn, and Waveland.

Babe Ruth Baseball for boys

13 thru 15 is sponsored by

American Legion Post 149, Al-

Sunny, and Gulf Coast Trans-

fer. Two teams are available

for new sponsors and an adult

manager/coach is needed for

the 13 and 14 year old teams.

N.A.S.A. Test Facility Host Boy Scout Jamboree

More than 2,000 Boy Scouts of the Pine Burr Area Council spent their 1969 Jamboree camped along the historic Pearl River at old Gainesville as the National Aeronautics and Space Administration's Mississippi Test Facility was host for the three-day event.

The Scouts, from sixteen counties in South Mississippi, started arriving Friday afternoon and setting up camp.

Jackson M. Balch, Manager of MTF, and Commissioner of the Pine Burr Area Council, welcomed the Scouts and their leaders with these remarks: "You, as Boy Scouts and heirs of the 'Space Age', are camping on historic ground. Many important events in the early history of our nation occurred right here along the East Pearl River and at the town of Gainesville."

"Soon, rocket stages tested here at MTF will launch our Astronauts on a journey to the surface of the Moon. In future years you will remember this Jamboree and your visit to this

locality."

As host for the Jamboree, MTF personnel had arrangements for touring and briefing the scouts on the Space Program and the mission of MTF.

More than 1,900 Scouts viewed the motion picture, "Apollo 9 - The Duet of Spider and Gumbdrop", and saw models of spacecraft used in previous space flights and toured site facilities during an eight hour period.

This tour included visits to the Apollo/Saturn V first stage (S-IC) testing area where Boeing Company personnel were on hand to explain the 400-foot tall test tower and the S-IC10, which was still in the test stand after being captive fired on April 16. Next, the Scouts toured the Apollo/Saturn V second stage (S-II) test area where North American Rockwell Corporation personnel explained the 200-foot tall test stand where the 81-1/2 foot long S-11-8 was being readied for static firing in the near future.

Helping with the Jamboree activities at MTF was the General Electric Company, service contractor at MTF. Traffic control and fire protection was provided by the Harrison Security Service, Inc., and the General Services Administration personnel handled transportation during the Jamboree. Buses and volunteer drivers were also provided by the U.S. Naval Construction Battalion Center, Gulfport.

On Saturday night, April 20, hundreds of parents and friends

of the Scouts visited a dinner fire ceremony where several troops staged a colorful show.

Henry Auter, Deputy Manager, MTF, and Tug Bell District Chairman, spoke during the "Scoutmaster's Minute" during the closing exercises.

Following religious services in an assembly field near an old White Church at Gainesville, presentations of thanks and words were made and expressions of appreciation made to MTF officials for hosting the 1969 Jamboree.

Lawyers Make Plans For Law Day May 1

Plans for some 400 Mississippi lawyers to address thousands of Mississippi high school students in connection with the observance of Law Day USA on May 1 were announced today by Chester H. Curtis of Clarkdale, President of the Mississippi State Bar.

The lawyers will be in assembly sessions in most Mississippi high schools delivering talks on this year's Law Day theme which is "Justice and Equality Depend Upon Law—And You!", said Curtis.

The State Bar announcement noted the general theme of the talks would urge the high school students to observe all laws and whenever having a grievance, to make certain these matters

are handled in a lawful manner. "There has been much unrest among young people and it is the hope of our Law Day speakers that they can inform these students on what their rights are and how they can have these rights protected within the framework of the law, as well as their responsibilities in a lawful society," said Curtis.

In cooperation with the State Bar's efforts for the Law Day celebration, newspapers, radio and television stations and outdoor advertising companies are carrying special Law Day messages.

May 1 has been officially declared by Governor John Bell Williams as Law Day USA in Mississippi.

A LIGHT SHINES in the CHURCH WINDOWS

The Model

"Now I'm big—with a hat like Mommy's!" Amy was really full of herself when we went shopping yesterday.

I was amused, too, as I watched her imitate her mother on the way to church the next day. She really had that walk down to a "T."

I'm glad her mother is her model. She couldn't have a better one. Mary's love of God is reflected in everything she does. Her happiness in serving God and His church is contagious. I should know!

When we were married, I was a sometime church-goer. Now, I teach Sunday School, sing in the choir and am chairman of the building committee. I find it deeply satisfying to know that my church needs me.

Every church needs the dedicated effort of its members. Experience the joy of serving God.

The talent show at Charles Murphy on March 28 was a proven success. The theme of the show was a Rainbow of Talent and it was exactly that. Who could imagine that so much talent existed in such a small school. A lot of credit goes to Mr. Dave Stockstill who put the show together. Highlights of the program were Mr. Stockstill's "Five Foot Two" number and a selection by Mrs. Mary Strain, both Mrs. Strain and Mr. Stockstill are excellent pianists.

Balated Congratulations are due Mr. and Mrs. Red Davis, who celebrated their 13th wedding anniversary on March 26.

A bargain sale was held at the Pearlington Amusement Park on Saturday, April 19 to raise funds for the Teachers Banquet to be held on Friday, May 2 in the Cafeteria of Chas. B. Murphy School. The banquet is being sponsored by members of the room mothers club.

SCHOOL REGISTRATION
Registration for the 1969-1970 school term will be on Thursday, May 1. Children being registered for the first time should be six years of age on or before January 1. Information that will be needed is a record of immunization, which may be obtained from the Health Department and the child's birth certificate. The students of the first grade will stay home on this day. All other classes will attend as usual.

Plans are underway for Six weeks summer school, starting on June 2. All four major subjects, history, math, English and science will be taught.

Plans are also being made for summer activities in physical education. No date has been set for this yet.

The Charles B. Murphy library will be open for three hours in the morning during the summer.

School examinations will be on May 8 and 9. Classes will be out on Friday, May 9 and return on Wednesday May 14 to receive their report cards. Teachers will be at school on the 12, 13 and 14. The last lunch in the cafeteria is to be served on May 9.

Graduation ceremonies will be on Tuesday, May 13 at 8:00 p.m. in the cafeteria.

On Tuesday, April 8 the P.T.O. met and elected new officers for the coming year. Officers are: President, Mrs. Brenda W. Anderson; 1st Vice-President, Mrs. Mary Catherine Acker; 2nd Vice President, Mrs. Ruth Davis; secretary, Mrs. Gail St. Amant; treasurer, Webster Hollis and social committee, Mrs. Gladys Barber and Mrs. Iris Hughes.

The next P.T.O. meeting will be on Monday, May 5 at 7:00 in the cafeteria. Everyone is invited to attend.

BRIDAL SHOWER
A household shower was given for Mrs. Clarence Green, nee Jewel Carver at the First Baptist Church on April 25. The honoree wore a white and green print, whipped cream, sheath. Her corsage was made of white ribbon and adorned with tiny pots and pans. Hostesses for the event were: Mrs. Helen Lee, Mrs. Barbara Lee, Mrs. Connie Cox and Mrs. Cathy Nezcaze. Mrs. Barbara Lee and Mrs. Cox presided over the refreshments, which included sandwiches, punch, cake and potato chips.

Happy birthday wishes go to Mr. Jim Dawsy of Ozona, who celebrated his 80th birthday on March 30. Birthday wishes also go to Little Elliott Dawsy who celebrated his big day on March 29. Elliott was 3.

V. J. DANIEL, JR.
Named Exec. V-P
By Miss. Power

Victor J. Daniel, Jr., Gulfport, has been elected Executive Vice President of Mississippi Power Company by its Board of Directors, A. J. Watson, Jr., company President, announced today.

Mr. Daniel, a Meridian native, joined Mississippi Power Company in 1940 following his graduation from Mississippi State University with a B.S. degree in electrical engineering. From 1941 to 1945, he served as a pilot in the U.S. Army Air Corps, returning to the Company after his military service.

He has held positions of increasing responsibility with the Company, including those of Laurel Division Sales Supervisor, and New Industries Representative and Commercial Manager in the General Office. In 1962, he was elected Vice President - Sales and has served as a director of the Company since 1964.

A registered professional engineer, Mr. Daniel is a member of the Mississippi Society of Professional Engineers, the National Society of Professional Engineers, and serves on the Engineering Advisory Committee at Mississippi State University.

He is a deacon in the First Presbyterian Church, Gulfport, active in various local organizations, and a retired Lt. Colonel in the U. S. Air Force Reserve.

Mr. Daniel is married to the former Miss Marjorie Bailey of Gulfport, and with their daughter, Amy, they reside at 1109 Second Street, Gulfport. Another daughter, Mrs. K. C. Piomay, lives in Collierville, Tennessee.

Date Changed for Girl Scout Day Camp

It was announced today by Mrs. Jean Wood, Day Camp coordinator that the Bay St. Louis Neighborhood Girl Scout Day Camp would not be held from June 9 through the 13. The new dates announced were June 2 through 6th.

She also stated that all checks should be sent to Mrs. C. J. Ladner, P. O. Box 134, instead of her. This does push the registration deadline up to May 20, 1962.

This camp will be at the Mississippi Test Facility Park, with their special permission, for which the girls scouts are most grateful.

The transportation for the camp will be by bus. It will leave Bay St. Highway at 8:00 a.m. and arrive at 8:15 at Waveland Elementary School and will return in the afternoon at 3:30 p.m.

Entertain With Breakfast

Mr. and Mrs. W. L. Higgins entertained with a family-breakfast last Sunday following the First Communion of their daughter Janice Marie, and their nephew John Wesley Capdepon, at St. James Catholic Church, Mississippi City.

Attending were Mrs. Edna Russ, Mrs. Henry Capdepon Jr., and children, Henry III and Bridget of Mississippi City, Sister Ignatius, Sister Mercades, Sister Cyprian and Mother Dolores, St. James School, Mrs. Lamar Basset, Peagood, Miss. Jean Higgins, Mrs. Bob McNally and sons Bobby and Michael and grandparents Mr. and Mrs. Henry Capdepon Sr. of this city.
